Center on Congress- Legislative Branch- ELearning Activities

Directions: This sheet contains one question per module. Answer the question thoughtfully and in complete sentences. You may not move onto the next module until you have completed the module and answered the corresponding question in order.

1. Pick one of the four public criticisms of congress people, and say whether you agree or disagree with that statement and why.
2. What action taken by Congress has the biggest impact on your daily life?
3. What did you discover about the daily life of a Congress person that interested you or surprised you in some way?
4. When a congress person returns from Washington D.C to the area they represent what are some of their roles in their community? How do they help their constituents (The people they represent)?
5. When creating your budget what three areas did you decide to spend most of your budget on? What was the biggest difference between your budget and the actual 2008 budget?

6. What were the three most interesting backgrounds of a member of Congress?
7. We have had 44 presidents, how many of them served in Congress?
8. After completing the module, "Deciding how to vote in congress," did you end up voting for the bill? What was the most convincing reason why you voted the way you did?
9. Why do you think it's so difficult to pass a bill into a law?
10. If you wanted to contact your legislator what would be the most effective way?
11. Did you accurately predict civic participation? If not, what was most surprising?
12. Pick one citizen in your opinion that made the biggest difference by getting involved politically.
