6. When do I buy a discount card and why should I buy it?

The cards can be purchased from me anytime during the season, but I would like the majority of the cards to be purchased by Tuesday, November 22. Bittersweet Ski Resort wants to encourage young people to take up the hobby of skiing. They offer students an opportunity to buy a discount card from a sponsor at their middle school. The regular rate to ski at Bittersweet is \$35, so the card pays for itself the first time you use it.

7. When is the card valid?

The card is valid every weekday, but only can be used after 3:00 on weekends and during the holiday season.

8. Can adults purchase cards?

Yes, the adult card is \$16. Rates for adults with a card: lift ticket: \$20, Ski/Snowboard rental: \$20.

9. When will we get the cards that we ordered?

The cards should be ready for pick-up on Friday, December 2. They will be picked up from the CBC room, I'll have the cards organized by family.

10. When do I sign-up? Who do I pay the money to?

On the 6 dates listed, we have arranged transportation to take all students to Bittersweet. You do not need to go to every ski club outing. If you do would like to go, you have to get all money into Mrs. Maat (CBC ROOM) the Tuesday before the Thursday event. I need this so I can organize the appropriate transportation and also prepare a list of all attendees. If the money is not in by Tuesday, you will not be attending the event.

11. Do you need a helmet?

It is not required, but ski helmets are encouraged by many ski and safety organizations. My advice is to buy one, the rental cost is \$10 a time and you can buy a new helmet for around \$40.

12. Where do I store my ski gear the day of an outing?

The ski gear will be stored in the storage room across from Mrs. Gauthier's room. I will be by the office the day of the first event to help all 6th graders find the room.

13. When do parents need to pick up their kids?

Pick-up will be at 9:30 PM in the back of the school by the Chix Coop doors.

14. Will there be adult supervision?

We will have 5-6 teachers who will help kids learn how to ski and will be available if a student needs us.

15. What if my child doesn't know how to ski?

All skiers must go through an evaluation process to validate their ski pass. This will determine their ski ability and the hills they may ski. Bittersweet will provide 2 free lessons to any kids that need them.

16. Do we need to pack a sack dinner?

Some kids bring sack dinners and others bring money to purchase food in the cafeteria. An average dinner in the cafeteria cost about \$8.
